In order to avoid the communication gap among the various stakeholders of the institute on all academic and administrative matters and also to facilitate the achievement of the intended student learning outcomes, the 'Faculty Council' of the college resolved to bring out a quarterly e-newsletter. The various activities organized from time to time, be it co-curricular or extracurricular will be a part of this newsletter. All important events planned will also be covered.

Besides mailing online to all the concerned, this will also be kept on our website. We earnestly seek suggestions for improvement.
